ONE LAUNCH CONFERENCE

European Structural Funds Absorption Comparison among Regional ICT Policies

30th May 2012

**Museo Regionale di Scienze Naturali
Sala Conferenze**

Via Giolitti, 36 - Torino (Italy)

ONE (Observatory Network to Enhance ICT Structural Funds Absorption), is a project funded by the ERDF fund through the INTERREG IVC programme, aiming at the improvement of regional ICT investment planning capacity, transferring good practices on ICT Observatories among the 11 partners (from Italy, Belgium, United Kingdom, Germany, Poland, France, Cyprus and Czech Republic).
